

## ....keeping the spiritual journey going

**One way to end the presentation, is to finish with asking ...**

- 1** “What do you know of Jesus teachings?” ...or “You don’t need to take notice of my views or that of an organisation but what you may want is to have God reveal himself to you.”  
One way I suggest is that you take this NT bible and just read a small section each day praying that God will reveal himself to you. He may do this in various different ways - through a person, an incident, a thought or from what you read.

- 2** We are giving away the choice of 2 books.  
A new testament and Luke’s Gospel

- 3** When giving Luke’s Gospel or NT Bible, there will be a paper slip inside. Explain the various facts about the bible. Diversity & variety running through it all united by a common theme. ...opportunity to explain further.
